It is the policy of the Hilldale Board of Education to employ teachers by written contract. Consideration for reemployment shall be based upon the recommendations of the superintendent.

A teacher contract may be terminated by mutual agreement between the teacher and the Hilldale Board of Education.

Teachers shall be considered as employed on a continuing contract basis for the ensuing year if notification in writing of recommended nonreemployment has not been received by the teacher prior to the first Monday in June of each year. Teachers who do not desire renewal of their teaching contract shall so advise the superintendent by registered or certified mail prior to fifteen (15) days after the first Monday in June of the current year.

A teacher contract may be terminated for cause by the board of education, either upon recommendation of the superintendent or on its own volition.
