

Immunizations	F.9
<i>Adopted: July 23, 2013</i>	

The Hilldale Board of Education shall provide an environment for students to study, interact, and learn. Such an environment shall be reasonably free of known hazards, which may threaten or endanger the health of our children or educators.

The board of education shall require that no child be admitted to this school without evidence of having received the immunizations required by the State Department of Health unless an exemption has been granted from the immunizations on medical, religious, or personal grounds.

If a parent or guardian is unable to pay for the required immunizations, the school will refer the student to the County Health Department.
