## Student Handbook

2022-2023

To the Parents and Students:

Please let me take this opportunity to welcome you to Hilldale Learning Academy for the 2020- 2021 school year. We are excited for the new school year and expect to make this one of the very best in Hilldale Learning Academy history.

It is our goal at Hilldale Learning Academy to provide the best educational opportunities possible for our students. With this goal in mind, we have compiled this Student Handbook, students are also held to the Hilldale High School or Middle School rules, regulations and expectations for students. Any changes to the regulations will be addressed in the student's individualized contract for their virtual classes. Please take time to read the handbook and sign and return the bottom section of this form to your child's Director of Hilldale Learning Academy. Please keep the handbook for your future reference. If you have any questions concerning the handbook or the school itself, please call and schedule a meeting with me, 918 – 683-0273.

Respectfully,

Tim Stevens  
Hilldale Learning Academy Director

## **Hilldale Public Schools Notification of Rights under FERPA**

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days after the day the Hilldale Public Schools ("School") receives a request for access.  
Parents or eligible students should submit to the school principal [or appropriate school official] a written request that identifies the records they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.  
Parents or eligible students who wish to ask the School to amend a record should write the school principal or superintendent, clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.  
One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer or contractor outside of the school who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.  
Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue, SW  
Washington, DC 20202

See the list below of the disclosures that elementary and secondary schools may make without consent.

FERPA permits the disclosure of PII from students' education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, §99.32 of the FERPA regulations requires the school to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures. A school may disclose PII from the education records of a student without obtaining prior written consent of the parents or the eligible student –

- To other school officials, including teachers, within the educational agency or institution whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in §99.31(a)(1)(i)(B)(1) - (a)(1)(i)(B)(2) are met. (§99.31(a)(1))
- To officials of another school, school system, or institution of postsecondary education where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer, subject to the requirements of §99.34. (§99.31(a)(2))
- To authorized representatives of the U. S. Comptroller General, the U. S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as the State educational agency in the parent or eligible student's State (SEA). Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (§§99.31(a)(3) and 99.35)
- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§99.31(a)(4))
- To State and local officials or authorities to whom information is specifically allowed to be reported or disclosed by a State statute that concerns the juvenile justice system and the system's ability to effectively serve, prior to adjudication, the student whose records were released, subject to §99.38. (§99.31(a)(5))
- To organizations conducting studies for, or on behalf of, the school, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction. (§99.31(a)(6))
- To accrediting organizations to carry out their accrediting functions. (§99.31(a)(7))

- To parents of an eligible student if the student is a dependent for IRS tax purposes. (§99.31(a)(8))
- To comply with a judicial order or lawfully issued subpoena. (§99.31(a)(9))
- To appropriate officials in connection with a health or safety emergency, subject to §99.36. (§99.31(a)(10))
- Information the school has designated as “directory information” under §99.37. (§99.31(a)(11))

## **NONDISCRIMINATION**

The Hilldale Public Schools, District I-29, Muskogee County, Muskogee, Oklahoma, does not discriminate in its educational programs, services, activities or employment on the basis of race, color, sex, national origin, sexual orientation, disability, religion, age or veteran status in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups. For further information or for a copy of the District’s Grievance Procedures for Filing, Processing and Resolving Alleged Discrimination Complaints, contact Mr. Erik Puckett, Superintendent, 313 East Peak Blvd, Muskogee, OK 74403-8639, (918) 683-0273, facsimile (918) 683-8725.

## **INTRODUCTION**

The Hilldale Learning Academy is a part of Hilldale Public School High School program and was created to serve two purposes: 1) to provide a virtual learning choice for any students enrolled in the Hilldale Public School system, 2) to provide an alternative learning environment for at risk students which may include academic deficiency, behavioral difficulties, excessive absences, pregnancy or parenting, adjustment problems or juvenile justice involvement.

This academy will give students the ability to complete their education through a choice of total virtual classes, blended virtual classes and regular education classes or attending alternative classes. The final goal is to provide student a rigorous education and move on to higher educational or career opportunities. Students will also abide by the producers and policies of the *Hilldale High School handbook*. The policies, procedures, rules and regulations contained in this handbook are the result of a concerted effort on the part of the Board of Education, policy committee, faculty, and administration. This information has been carefully prepared and presented so that it will be of great value in helping the student adjust to our school and become an integral part of it. District Board Policies and site handbooks are available on the website at [www.hilldale.k12.ok.us](http://www.hilldale.k12.ok.us).

The ultimate purpose of education is to help each student become an effective citizen in a democracy. To develop and accept the responsibilities and obligations of good citizenship will help students participate in our varied activities and thus find those things within our school which will prepare them to live a better life and finally take their place in this complex society. Remember that each student's success in school will be directly proportional to their efforts and to their future.

## **Learning Academy Program Descriptions**

1. Virtual Education is one way Hilldale Public School seeks to provide the best possible educational experience for every student. This program targets all students enrolled in Hilldale Public School but may want a different method or structure for the delivery of instruction and the opportunity to stay involved in extracurricular activities, sports, and clubs. All students accepted in the virtual program of Hilldale Learning Academy will be required to take the equivalent of six hours of rigorous instruction per day. Students may work at their own pace and have the ability to complete a course early.
2. Alternative Education is a program intended to meet the needs of students who are experiencing difficulty in the mainstream school setting. The philosophy of alternative education is:
  - a. **High School:** either a re-entry or an avenue of completion program of high school requirements, depending on the student's needs.
  - b. **Middle School:** a re-entry program, for no longer than the end of the current school year, to increase specific skills that will assist in the student's ability to return to the regular setting.

Hilldale Learning Academy is a fully accredited Middle School / High School diploma program with a director, certified staff members and a counselor. The Learning Academy is open five days per week, Monday through Friday, from 8:00am until 2:55pm and following the Hilldale Public School district calendar.

## **Course Curriculum Options**

Coursework curriculum will utilize the web-based Edgenuity Program meeting our district core and college prep curriculum choices. To obtain individual information, schedule an appointment with the Learning Academy Director to discuss course options and suitability.

1. Students will be enrolled in a full semester of courses each semester. Students will be enrolled in seven classes each semester freshmen through junior year. Senior year students may participate in work study and be enrolled in six hours of rigor.
2. The school counselor will provide group sessions on life skills as well as being available for one-on-one assistance career and academic guidance. The counseling program is designed to ensure each student has time with the counselor for guidance on their ICAP (Individual Career and Academic Plan).

## **Daily Schedule**

The Learning Academy is open the regular school day consisting of seven (7) scheduled periods. School will begin at 8:00 a.m. and be dismissed at 2:55 p.m. Class times are scheduled as follows:

1st period	8:00 - 8:50
2nd period	8:55 - 9:40
3rd period	9:45 - 10:20
FLEX	10:25 - 11:00
4th period	11:05 – 11:40
5th period	12:00 - 1:15
6th period	1:20 - 2:05
7th period	2:10 – 2:55
*Lunch Time:	11:40-12:00

### **Hilldale Learning Academy Procedures for Placement**

1. The student may be referred by their parent, principal, counselor, teacher or self-referral. The referral packet must be completed and returned to the Learning Academy Director. The completed packet includes the following:

- Application
- Student Assessment Form
- Student Data Form
- Parent Contract
- Student Survey

2. Upon completion of the referral, the Learning Academy Director will convene an eligibility meeting to review all the data gathered. The committee will include at least the following members; Learning Academy Director, teacher, and either a principal/counselor/teacher involved in the referral process, student and parent. If the student is in special education, the site special education teacher and the alternative special education teacher will be included. A decision on admission will be determined by the team.

3. After a student is eligible to attend the academy the parents and student will meet with the personnel to construct their individual alternative program of study. The parent/student will be notified by the Director of the decision and meeting date will be set for the individual student contract to be reviewed and signed by all parties.

4. If the student is in special education the Director will communicate with the special education teacher to set a time for a new IEP to be discussed when planning and reviewing Learning Academy plan.

### **Attendance**

Due to the flexibility of the Learning Academy, attendance will work differently than a traditional class for those students enrolled in full time virtual or alternative education classes. To have the proper amount of activity in the class, a student must log into each course several times per week on different days. Although each course is different, a student is expected to spend the appropriate amount of time in the course to stay on pace with the course per district program expectation according to each student's individual study contract. Attendance is measured by blended class times, submission of assignments, tracking mechanism on Edgenuity program and communication with the teacher.

Students in full time virtual classes: **If a student has been directed to attend class and does not show, he/she will be counted as truant for the class. Students who miss their check-in day will be counted absent every day until their check-in day has been completed. If a student reaches their 4<sup>th</sup> TRUANT a referral is made, then the student will lose their virtual privilege and will be required to attend class every day for the remainder of the semester.**

Students assigned to alternative education on campus: **Students will adhere to the Hilldale High School or Middle School attendance policy on less otherwise described in their individualized learning contract.**

## **Communication**

As a student in Hilldale Learning Academy, communication between the teacher, student, and parent is critical.

- Students are expected to check daily for messages and announcements from the instructor or the school. Instructors will be checking with each student regularly to monitor progress and answer questions. Students are to respond to all emails and/or phone calls from their instructor when requested.
- Students will have weekly communication with their teacher. Teachers will schedule a mandatory check-in day for all students each nine weeks. Each course is unique; therefore, face-to-face time is scheduled differently for each subject.
- Instructors can be contacted through email and phone calls. Students can expect a reply from the teacher within 24 school hours. Instructors will be available on campus during regular school hours.
- Parent communication with the instructor and student is a central part to the success of the course. Instructors will be in contact with parents on a regular basis. Parents are expected to monitor their child's progress and communicate with the instructor if problems develop.
- Pacing work in the course is vital to success. The Edgenuity Program provides the student a pacing chart that will guide progress through the course. Assignments need to be completed in order and must meet deadlines assigned. Eligibility rules will apply.
- A parent/guardian must sign the attached 'Parent Acknowledgement' form, acknowledging the Learning Academy guidelines.

## **CHEATING POLICY**

Whenever the student is suspected of cheating, the director will investigate all the facts surrounding the suspected cheating and meet with the student. If found guilty of cheating, the student will not earn a grade on the work he/she cheated upon and may be subject to further punishment deemed appropriate by the administration pursuant to the student disciplinary policy found in the Hilldale High School or Middle School handbook.

## **GRADE CLASSIFICATION OF STUDENTS**

To ensure that students are classified in a uniform manner, and that students who start the school year as seniors and pass all classes may have the opportunity to graduate, when a student enters a new school term, he or she will be classified according to the following criteria/number of credits required:

Senior	Minimum 17 Credits
Junior	Minimum 10 Credits
Sophomore	Minimum 5 Credits
Freshman	0 – 4.5 Credits

A student may advance to the next higher grade classification after the start of the new school year by completing additional credits from night school, correspondence courses, or proficiency testing. A student may only change classification at the semester and when the number of credits earned equals the required number of credits to be on track for graduation.

## **Progress**

Students enrolled in fulltime virtual classes: **Students enrolled who fall below a 70% in the course or that get behind on the pacing chart will be required to attend class daily and will lose their virtual privilege. Once students raise their grade above 70% and are on pace with the scheduled due dates, their virtual privilege will be reinstated. If a student fails a 1<sup>st</sup> Semester Virtual class, then he/she will be required to attend class every day for the first six weeks of the 2<sup>nd</sup> Semester. If after six weeks, the student is maintaining a 'C' or above, this student's Virtual privileges will be reinstated.**

Students enrolled in alternated education classes: **Students who fall below a 70% will have parents contacted. If grades fall to a 60% the Director of Learning Academy or designee will schedule a conference with parent and teacher of record of class the student has fallen below 60%. If student fails classes in alternative education a review of placement will be conducted to determine if continued enrollment is allowed or if daily tutoring is required.**

## Hilldale Public Schools

### Daily COVID-19 School Attendance Questionnaire

In an effort to prevent possible exposure of staff and students to COVID-19, you are requested to review the following questions each morning and PRIOR to your child riding a school bus or entering school.

1. Does your child have a fever of 100 degrees or more?
2. Is your child experiencing (a) new loss of taste or smell, (b) nausea or vomiting, OR (c) diarrhea?
3. Is your child experiencing two or more of the following symptoms of COVID-19?
  - a. Chills
  - b. Cough
  - c. Fatigue
  - d. Muscle or body aches
  - e. Headache
  - f. Sore throat
  - g. Congestion or runny nose
4. Is your child experiencing **ANY** of the **EMERGENCY WARNING SYMPTOMS** of COVID-19?
  - a. Shortness of breath or difficulty breathing
  - b. Persistent pain or pressure in the chest
  - c. New confusion
  - d. Inability to wake or stay awake
  - e. Bluish lips or face
5. Has your child had, or do you think your child has, COVID-19?
6. Has your child tested positive for COVID-19?
7. Has your child been around a person with COVID-19?

If the answer to any of these questions is “YES,” YOUR CHILD SHOULD REMAIN AT HOME and you should contact the attendance clerk at your child’s school by phone or email. Students remaining home as a result of COVID-19 concerns will not be penalized regarding absences, assignments, or test.

If your child is showing any of the Emergency Warning Signs listed in Question 4, seek emergency medical care immediately.

If your answer to Question 5, 6, OR 7 is “YES” please contact physician and the NAME County Health Department ( ) for specific guidance on the criteria to be met before your child returns to school.

**By sending your Child to school, you are representing to the School District that the answer to each of these questions is “NO”**

## COMMUNICABLE DISEASE

## F.43. BOE Policy July 2020

Any child who is determined to be afflicted with a contagious disease or head lice shall be prohibited from attending school until a health officer has determined that the child is free of head lice or the disease is no longer contagious.

Listed below are some of the more common diseases or conditions which require isolation or medical treatment. If these occur at home, the school should be notified as soon as possible of the disease or condition so that an outbreak can be avoided and treated. We are required to report certain communicable diseases to the State Department of Health.

<u>Disease/Condition</u>	<u>Isolation Period or Required Treatment</u>
Chicken Pox	7 days if well and all lesions have dried.
Diphtheria	Exclude until 2 negative throat cultures 24 hours apart Have been checked and approved by a physician.
Fever	<b>Fever free for 72 hours – 3 days.</b>
Vomiting	12 hours free of vomiting.
Hepatitis	Released for school by physician only.
Scarlet Fever & Strep Throat	When released by physician after medication therapy has been initiated.
Mononucleosis	Physician's release.
Mumps	Swelling all gone and released by physician.
Influenza	Return when symptom-free.
Pink Eye	Symptoms ruled out or diagnosed by physician and treatment initiated.
Amebiasis	Until symptoms respond to specific treatment.
Impetigo	Ruled out or diagnosed by physician and may return when specific treatment is initiated and pustules are healing. <u>Must be covered.</u>
Ring Worm	Ruled out or diagnosed by physician and may return when specific treatment is initiated.
Scabies	Ruled out or diagnosed by physician and may return when specific treatment is initiated.
Head Lice	Periodic head checks are made throughout the school year. The parents of the students found to be infested will be notified and the student <u>must be removed from school at that time.</u> Students will not be permitted to ride the school

bus home that day. According to State Law, Any child afflicted with a contagious disease of head lice may be prohibited from attending a public, private, or parochial school until such time as he is free from the contagious disease or head lice. Any child prohibited from attending school due to head lice shall present to the appropriate school authorities, before the child may reenter school, certification from a health professional as defined by Section 5601 of Title 63 of the Oklahoma Statutes or an authorized representative of the State Department of Health that the child is no longer afflicted with head lice. Students must be free of all lice and eggs (nits) prior to returning to school. The Muskogee County Health Department will conduct free head checks Monday – Friday from 8:00 a.m. – 11:30 a.m. and 1:00 p.m. – 4:30 p.m.

In 7 to 10 days after the initial infestation has been discovered, your child will be re-checked at school and, if necessary, you will be notified to re-treat the hair at that time.

COVID 19 - Students will follow the Protocols for Students and Staff out of School for Suspected COVID-19 Illness and Quarantine.

### **Hilldale Public School COVID-19**

Students attending Hilldale Public School on campus have the opportunity to participate in all education activities, including, classroom instruction, recess, breakfast and lunch, various school-related activities, transportation to and from school, fine arts, band, choir and all athletic activities of Hilldale Public School (HPS).

**Hilldale Public School students' participation in activities on campus is voluntary, as parents/guardians have the option of distance and/or virtual learning. IF distance learning is your choice you must contact your site principal and set a meeting to begin that process.** HPS has enacted several precautions for the protection of students to reduce the risk of contracting COVID-19. However, parents need to understand that participation on campus in academics as well as other extra-curricular activities *does* involve the risk of exposure and contracting COVID-19 which could cause serious illness or even death. In consideration of medical officials information, the likelihood of wide spread COVID-19 in school is high and participation in all education activities both academic and extra-curricular, there is an increased risk of students and other family members of contracting COVID-19. In addition, participation in HPS extra-curricular activities may involve strenuous, prolonged physical activity and close contact with others which adds to the risk of possible spread.

Parents/Guardians responsibility in the assistance of controlling the spread of COVID-19 is:

- To notify the school of any students existing health conditions
- To report to the school any student who has been in CLOSE contact with someone who has tested positive for COVID-19
- To report if their student tested positive
- To keep students home if they are running a fever of 100 degrees or higher
- To keep the school updated on changes in phone numbers
- To return phone calls as quickly as possible

HPS staff or its representatives may request health information concerning students on campus. If HPS determines that a student has symptoms of COVID-19 or has been in CLOSE contact with another person testing positive for COVID-19, the school may determine that the student cannot be

permitted attend school or participate in extra-curricular activities. If this happens the student will be placed on distance learning until healthy to return to traditional school and participate in activities. HPS desires is that *all* children be able to attend traditional school and participate in extra-curricular activities, but understand decisions on attendance and participation will be made in the best interests and safety of all students/participants.

### **MEDICAL TREATMENT**

In the event a student becomes ill at school, the parent or guardian of the student will be contacted. If they cannot be reached, the school will make medical decisions to arrange for and consent to emergency medical assistance. Parents need to be sure medical information and emergency contacts are updated and accurate in our student information system.

### **GENERAL MEDICAL/SCHOOL POLICIES**

- Parents will be notified and expected to pick up students who have a temperature of 100 degrees or above, are vomiting, or have diarrhea. Students with any of these symptoms before school in the morning need to stay at home for 72 (3 days) hours.
- Parents have notified the school of any medical conditions of the students.
- Parents must notify the school of any CLOSE contact with COVID-19 and/or and confirmed positive COVID-19 test of the student.
- All medicine must be brought to the office. Students who need to have an asthma in-haler with them must bring an annual doctor's note to have on file in the office. Failure to label medication correctly makes it impossible to know what should be given and when. Any medication sent in should be in the original container, clearly labeled with all of the following information, or it WILL NOT be given:
  - Name
  - Today's date and start/end dates for the medicine
  - Name of medication
  - Amount of medication to give, time of last dose and the time for the dose at school

**INTERNET ACCESS AGREEMENT  
(STUDENTS)**

*STUDENT SECTION:*
