3. Students may either purchase a lunch or bring a lunch from home. All students may eat lunch in the cafeteria and other designated areas.
4. Foods of minimal nutritional value will not be sold from vending machines while reimbursable meals are being sold.
5. Funds received from the school lunch program shall be used only for the purchase of food, equipment necessary for the preparation of meals, and for the salaries of those employees necessary for the operation of the program.
6. Weekly lunch tickets will be sold in the school office before school and will be retained in the office for daily use.
7. There will be no lunch charges for high school and middle school students. Elementary students may charge no more than three lunches.
