## BATTLE OF THE BOOKS

**RENEGADES** The Renegades are a syndicate of prodigies — humans with extraordinary abilities — who emerged from the ruins of a crumbled society and established peace and order where chaos reigned. As champions of justice, they remain a symbol of hope and courage to everyone... except the villains they once overthrew. Nova has a reason to hate the Renegades, and she is on a mission for vengeance.

**AFTER THE SHOT DROPS** A powerful novel about friendship, basketball, betrayal, bets, and one teen's mission to create a better life for his family. Told from alternating perspectives, it is a heart-pounding story about the responsibilities of great talent and the importance of compassion.

**SADIE** Sadie hasn't had an easy life. Growing up on her own, she's been raising her sister Mattie, trying her best to provide a normal life and keep their heads above water. But when Mattie is found dead, Sadie's entire world crumbles. After a botched police investigation, Sadie is determined to bring her sister's killer to justice and hits the road following a few meager clues to find him.

**EVERLESS** In the kingdom of Sempera, time is currency — extracted from blood, bound to iron, and consumed to add time to one's own lifespan. The rich tax the poor to the hilt, extending their own lives by centuries. A decade ago, Jules and her father were servants at Everless until a fateful accident forced them to flee in the dead of night. When Jules discovers that her father is dying, she knows that she must return to Everless to earn more time for him before she loses him forever.

**SKYWARD** Spensa's world has been under attack for decades. Now pilots are the heroes of what's left of the human race, and becoming one has always been Spensa's dream. Since she was a little girl, she has imagined soaring skyward and proving her bravery. But her fate is intertwined with that of her father's — a pilot himself who was killed years ago when he abruptly deserted his team, leaving Spensa the daughter of a coward, her chances of attending Flight School slim to none.

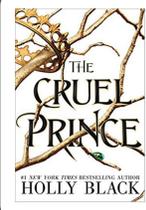

**WARCROSS** Struggling to make ends meet, teenage hacker Emika Chen works as a bounty hunter, tracking down players who bet on the game, Warcross, illegally. It hasn't been easy. Then one day she gets an offer she can't refuse — Emika's whisked off to Tokyo and thrust into a world of fame and fortune that she's only dreamed of. But soon her investigation uncovers a sinister plot, with major consequences for the entire Warcross empire.

**DEAR EVAN HANSEN** When a letter that was never meant to be seen by anyone draws high school senior Evan Hansen into a family's grief over the loss of their son, he is given the chance of a lifetime: to belong. He just has to stick to a lie he never meant to tell. As Evan gets pulled deeper into their swirl of anger, regret, and confusion, he knows that what he's doing can't be right, but if he's helping people, how wrong can it be?

**TRULY DEVIOUS** Ellingham Academy is a famous private school in Vermont for the brightest thinkers, inventors, and artists — and home to one of the great unsolved crimes by a killer named "Truly Devious." But something strange is happening. Truly Devious makes a surprise return, and death revisits Ellingham Academy. The past has crawled out of its grave. Someone has gotten away with murder.

**DRY** The drought has been going on for a while now. Until the taps run dry. Suddenly, Alyssa's quiet suburban street spirals into a warzone of desperation; neighbors and families turned against each other on the hunt for water. And when her parents don't return and her life — and the life of her brother — is threatened, Alyssa has to make impossible choices if she's going to survive.

**THE CRUEL PRINCE** Jude was 7 when her parents were murdered and she and her two sisters were forced to live in the treacherous High Court of Faerie. 10 years later, she wants nothing more than to belong there, despite her mortality. But many of the fey despise humans. Especially Prince Cardan, the youngest and wickedest son of the High King. Jude will need to risk her life in a dangerous alliance to save her sisters, and Faerie itself.

**FIVE FEET APART** Stella Grant likes to be in control — even though her totally out of control lungs have sent her in and out of the hospital most of her life. Will's exactly what Stella needs to stay away from. If he so much as breathes on Stella she could lose her spot on the transplant list. Either one of them could die. The only way to stay alive is to stay apart. But suddenly six feet doesn't feel like safety. It feels like punishment.

**ON THE COME UP** Bri wants to be one of the greatest rappers of all time. Or at least make it out of her neighborhood one day. As the daughter of a rap legend who died before he hit big, Bri's got big shoes to fill. But her mom has unexpectedly lost her job, but with bills piling up and homelessness staring her family down, Bri no longer just wants to make it — she has to make it.

**THE BEAUTY THAT REMAINS** Music brought Autumn, Shay, and Logan together. Death wants to tear them apart. But when tragedy strikes each of them, somehow music is no longer enough. Despite the odds, one band's music will reunite them and prove that after grief, beauty thrives in the people left behind.

**HEY, KIDDO** Hey, Kiddo is the graphic memoir of author-illustrator Jarrett J. Krosoczka. Raised by his colorful grandparents, who adopted him because his mother was an incarcerated heroin addict, Krosoczka didn't know his father's name until he saw his birth certificate when registering for a school ski trip.

**TYLER JOHNSON WAS HERE** Marvin and Tyler Johnson go to a party, but what starts as harmless fun turns into a shooting, followed by a police raid. Tyler has gone missing, but when he is found dead, a video leaked online tells an even more chilling story. Tyler has been shot and killed by a police officer.
