Such requests must be renewed annually, and an annual fee of Eighteen Dollars (\$18.00) will be charged each person or entity that requests written notification.

Option 2 (Electronic System)

Electronic meeting notices will be provided free of charge to all individuals and organizations who have signed up in advance or this notice. Requests to receive electronic notices can be made by contacting the school Superintendent or designee.

At least twenty-four (24) hours prior to a regular meeting or forty-eight (48) hours prior to a special meeting, a meeting agenda shall be posted on the district's website and emailed to those who have previously requested electronic meeting notifications. Additionally, it shall indicate if videoconferencing or teleconferencing shall be used, each public body member appearing remotely, the method of each member's remote appearance (videoconference or teleconference), and the identity of each member who will be physically present at the meeting site (if any). In such cases, quorum may be established if a majority of the board is present via videoconference or teleconference, and each board member is audible or visible to each other and the public. In the event a quorum is not present at a meeting held via videoconference or teleconference, and a regularly scheduled meeting cannot be convened, the meeting shall be cancelled.
