It is the policy of the Hilldale Board of Education to cooperate in every way possible with students and parents. Although the school is not a banking facility, we will attempt to divide the amount of a negotiable instrument (check) among siblings and to apply the amount to different lunch accounts. However, the district will not divide the cash from a lunch check and apply it to the Weekly Reader, yearbook purchase, etc., or give the cash to the child.

To purchase an optional or required item, a check must be written for the exact amount of purchase.
