

School Bus Use	C.26
<i>Adopted: July 23, 2013</i>	

School buses and other district-owned vehicles are to be used for the transportation of students participating in school-sponsored activities under the following conditions:

1. The use of buses and other district-owned vehicles for educational field trips and by student organizations is accepted as an extension of classroom activities.
2. The board delegates authority to the administration regarding requests for non-curricular use. When district-owned transportation is used, the student organization using the vehicles may be required to reimburse the district for all or part of the cost of the transportation.
3. Students participating in such activities must return in the same vehicle in which they departed unless permission is granted from the activity sponsors to return with the student's parent or guardian.
