The weather is turning cool in the mornings and will continue to get colder. Please send your students with light coats or sweatshirts. We will be working hard with the students to get these back home with them each day. Coincidentally, every year at this time our lost and found begins to overflow with sweaters and light jackets. Please write your child’s name in them so we can help get their items back to them.

CLOCKS BACK AN HOUR

## MATH TIME

Try to show enthusiasm for what your children are doing in math. You might ask them each day at dinner or homework time what they studied in math that day. Let them explain the concepts they’re working on, and follow up with questions. For instance, if they’re learning about decimals, you could ask how decimal points are used in money (they separate the parts of a dollar from the whole dollar).

Then when your children finish their homework, have them show you how they solved a few problems. As they explain their methods to you, they’ll be reinforcing their own skills and they’ll be proud to be teaching you something!

## PTO DATES

- 1<sup>st</sup>: PTO Angel Tree Hat Day
- 6<sup>th</sup>: PTO Meeting @ 4:00 p.m. in the cafeteria
- 8<sup>th</sup>: Hoodie Orders are due
