## **Honor Graduates**

Honor graduates are those seniors who have earned a 4.0 and above on a 5.0 scale, and they will receive a letter from the principal for the sole purpose of consideration for the valedictorian scholarship offered at colleges. They will also receive the honor of leading their senior class in the graduation procession, and they will be acknowledged in the graduation program. The class rank and grade point average for Honor Graduates will be calculated at the end of semester one of the senior year.
